
DAUPHIN 2012 SAFEWAY CHAMPIONSHIP TICKET INFORMATION

After a huge Success in 2007, the Safeway Championship is returning to Dauphin. The Championship brings 32 of Manitoba's best Men's curling teams to the Parkland. The winner will go on to represent Manitoba at the Brier.

To host this Provincial Championship, the Dauphin Community Curling club, the Dauphin Recreation Services and Dauphin's Countryfest have entered into a joint venture showcasing Credit Union Place, Dauphin and the Parkland to our Manitoba Curlers and fans. Additionally, a significant percentage of our profit from the event will go to the Dauphin and District Community Foundation to fund various causes for many years to come.

During the past few years, a number of community events have depended on local sponsorship and financial support to be successful. The organizing committee has made a conscious decision to host this event without approaching the business and private sector for direct financial support. Our mandate is to sell as many tickets as possible to ensure the success of this event.

**We are pleased to present our ticket packages
for your consideration and support.**
