The Past Presidents' Association, as its name indicates, is an Association formed to retain the interest in the game of curling among men who have been presidents of their respective clubs. Any past president of a club affiliated with the Manitoba Curling Association is eligible for membership. It was founded May 4, 1928.

The objectives of the Association are: to maintain interest and promote good fellowship in the game of curling; to assist the Manitoba Curling Association to promote the game of curling in the Province of Manitoba.

The activities consist of an annual bonspiel and luncheon held in Winnipeg in the fall, an annual dinner and general meeting in the spring and a golf tournament in early summer.

Past Presidents interested in joining the Association should contact the Secretary.

The Manitoba Ladies Past Presidents' Association is an independent organization devoted to the fellowship of curling. Any lady who is a past president of any curling club may become a member. Many curling clubs have a Past Presidents' Association representative who collects the annual membership fee and informs members of upcoming activities.

The members meet for an annual one-day bonspiel held on the third Monday in November and a luncheon and awards presentation the first Monday in May. Many members who are not active curlers attend the bonspiel lunch to renew friendships and to form a rousing cheering section.

The bonspiel awards two trophies: The Whalley Trophy donated by Joan Whalley and the Esther S. Poulton Memorial Shield administered by the Winnipeg Foundation in memory of Esther Susan Poulton. Each event has a Consolation Event.

In the 2004-2005 year we were saddened to hear of the death of Ruth Shaye, Past President of the East Kildonan Ladies and Past President of the Past Presidents' Association (1981).

This Association has been active since 1932 and encourages any Past President of any club to join including other provinces and overseas. We extend a special invitation to all clubs especially those in rural Manitoba.

The bonspiel epitomizes fun and fellowship. On entering the bonspiel you are placed on a team at any position or one of your choice. The bonspiel and lunch is hosted at the club of the current President. The winners' trophies are presented at the spring luncheon. Past Presidents interested in joining should contact any member of the executive.
